

Regulation relating to Club boat slips.

Boat slips will be made available to regular and senior members only, at a fee determined by the Board of Directors on a seasonal basis. Slips will be assigned by the Vice- Commodore initially to regular or senior members in good standing having rented a slip during the previous season. If the member does not reapply for their slip by May 1 of the new year, the slip availability will be offered to the regular or senior member, in good standing, at the top of the waiting list. If the opportunity to rent the slip is declined, the member's name will be dropped from the waiting list and the space will be offered to the next qualified name on the list. The waiting list will be maintained by the Vice Commodore and the Executive Secretary and will be open only to regular and senior members in good standing.
